

Thank you Message

Dear Distinguished Guests,

On behalf of the organizing committee, I would like to express our deepest gratitude to each and every one of you for your invaluable participation in the 3rd International Symposium on Sustainable Healthcare and Plasma Innovation for Future Society 2025. Over the past four days, it has been a true honor to witness the exchange of groundbreaking ideas, insightful discussions, and collaborative efforts that have unfolded throughout this distinguished event.

Your collective expertise and unwavering commitment have served as a profound source of inspiration, motivating us all to continue advancing the frontiers of innovation. The connections and partnerships formed here will undoubtedly play a pivotal role in shaping the future of sustainable healthcare and plasma technology. While our formal discussions have now concluded, we are confident that the ideas sparked during this symposium will continue to evolve and drive transformative progress for years to come.

We would also like to extend our heartfelt appreciation to the co-organizing institutions, partners, and sponsors whose steadfast support made this event possible. To the esteemed speakers, delegates, and participants, your active engagement and invaluable contributions were instrumental in the success of this symposium.

As we part ways, let us carry forward the momentum we have built together, remaining committed to innovation, collaboration, and sustainability. May our actions today ensure lasting, positive impacts for future generations.

Once again, we extend our sincere thanks for your significant contributions to the success of this event. We wish you safe travels and continued success in all your future endeavors. We look forward to welcoming you back at future symposium and further strengthening our partnership.

Assoc. Prof. Pitiwat Wattanachai (D.Eng.)

Chair of the 3rd International Symposium

on Sustainable Healthcare and Plasma Innovation for Future Society 2025

Chiang Mai University, THAILAND
