

Thank you Message

Dear Delegates, on behalf of the international symposium organizing committee, I'd like to express my genuine appreciation for taking the time to attend the 2nd International Symposium on Sustainable Healthcare Innovation for Future Society 2024 on Feb 1-2, 2024. Your attendance was much appreciated and contributed to its success.

We received many positive comments from the guest speakers, participants, staff, and community members about the meaningful experience the symposium was for everyone who attended, especially the members. Our success was in no small part due to the experts such as you who could answer questions, disseminate information, and administer informative screenings.

Thank you for being a part of this symposium once more and thank you for your time and dedication you gave to this event. We look forward to welcoming you back at the future symposium and extending our partnership with you.

Assoc. Prof. Pitiwat Wattanachai, Ph.D.

Chair of the 2nd International Symposium on Sustainable Healthcare Innovation for Future Society 2024
